

Hat Island Marina Committee September 2008

While most of the goals and objectives pertain to the marina expansion here are some issues that the marina committee worked on.

- 1. Discussed and clarified Marina rules and sent suggestion to Board.**
- 2. New Docks installed with improved power and gangways.**
- 3. Discussed and recommended to the Board new marina layout. Board Approved**
- 4. Dock and Finger pier gaps will be covered this fall, material on Island.**
- 5. Emergency dredging completed.**

On our list:

Ladders.

- A. Do we need them?**
- B. If so how many and where**

Fire Hose / Safety Rings

- A. Chuck can install water for two fire hoses on Holiday and C dock.**
 - 1. Is it needed?**
 - 2. Should safety rings be installed at these locations also?**
