

PARKING IN EVERETT

Parking for the Hat Island Ferry is according to how long your stay will be on the Island. You have five choices as described below. The port will ticket and boot your vehicle if not you do not follow these rules.

Up to 72 hours, you may park in any spot designated as public parking up to 72 hours – this is free of charge

Up to one week, you must register for long term parking either at the Marina Office or at the registration station adjacent to the rest rooms near Gate “C” of the north marina. You then park in the designated Long Term Parking Spaces – this is free of charge. You must re-register for every 7 day visit and if your move the car within the 7 days you must re-register.

Beyond 7 days you must pay either

Monthly – Go to the Marina office during normal weekday business hours and purchase a \$21 monthly parking pass. It is for the calendar month, not a 30 day period. You must have proof of ownership and insurance when you register. Then display this pass in your vehicle and park anywhere in the gravel lot north or the Yacht Club Building, BUT NOT inside the reserved parking area

Annual - Go to the Marina office during normal weekday business hours and purchase a \$100 annual parking pass. You must have proof of ownership and insurance when you register. Then display this pass in your vehicle and park anywhere in the gravel lot north or the Yacht Club Building, BUT NOT inside the reserved parking area

Reserved – These 30 numbered and reserved spaces are located inside the cordoned off space in the NW corner of the gravel lot. These spaces are reserved for holders of parking passes numbered 1-30. These are paid, reserved spaces and parking in one of them without this pass will get you towed at your expense.
