Subject: Hat Island, #31593 N
Snohomish County

Dear Mr. Motson:

Hat Island is required to have a certified water works operator in responsible charge of the daily operational activities of the water system.

The positions required to be filled by a certified operator, the required classifications and the individual presently employed is as follows:

<u>Position</u>	<u>Classifications</u>	<u>Employee</u>
Contract Operator	WDM 1 * WTPO 2	Donovan Sheppard

As long as the individual listed for this position remains with your utility and your system's classification remains the same (Group 1 Distribution & Group 2 Treatment System), your system is in compliance with the Mandatory Water Works Operator Certification Law. Any change of operators or system classification must be submitted to this office **in writing**.

If you have any questions concerning the Water Works Certification Program call me at (360) 236-3137 or 1 (800) 525-2536 extension #3.

Sincerely,

Cheryl L. Bergener
